PRODUCT DESCRIPTION

Breckenridge-L-A Natural Spanish Alabaster Orbit Linear Pendant

Illuminate your dining or living space with the sculptural elegance of the Alabaster Orbit Linear Pendant. Designed with a minimalist black metal frame, this statement fixture features a linear arrangement of softly glowing alabaster spheres—each one uniquely veined, evoking the natural beauty of moonlight captured in stone.

Perfectly balanced between modern sophistication and organic warmth, this chandelier casts a gentle, diffused light that enhances both contemporary and transitional interiors. Suspended gracefully from two slim rods, it makes an ideal centerpiece for dining tables, kitchen islands, or long conference tables.
