

Disc Pendant Collection

PRODUCT DESCRIPTION

The Disc Pendant Collection celebrates the natural beauty of travertine through a clean, contemporary design that is both understated and sculptural. Each pendant pairs a beautifully crafted yellow travertine disc with a softly illuminated cream white opal glass globe, creating a warm, ambient glow that enhances the stone's organic texture. Suspended from a refined metal stem and cable, the collection blends natural materials with minimalist lines to complement modern residential and hospitality interiors alike. Designed for kitchens, dining areas, bedrooms, lounges, boutique hotels, and luxury commercial spaces, the Disc Collection offers a timeless balance of elegance, warmth, and craftsmanship.
